

Camp Miramichée Alumni hit Hardy, Arkansas by storm during their 4th reunion, Sept. 5-7, 2008. Scavenger hunt teams were calling the mayor and questioning any long time resident for answers to clues that were all about their camping days in Hardy as well as Hardy today. Fun was had by all and one alum said, "They certainly knew we were here".

Approximately 50 alum attended the reunion held at OKK, and everyone agrees it is such a beautiful place and perfect for reunion. Thank you guys! Canoeing, swimming, renewing friendships, singing around the campfire and eating s'mores were enjoyed by all as was Saturday's "Olympic Day". Team events included the geritol relay, bladder toss, pull up relay and toga wrap. Bobby Williams even got into the action. What a hoot!

Two special events happened after final banquet. The 80's girls did the Indian dances reminiscent of their camping days. They were terrific. Also the Miramichée Foundation was formed. It's first project is to restore the creek and riverfront. Thanks to all the guys who gave advice on this issue. All of the alums are very grateful as they would not be as far along today without it.

The weekend closed with the gals touring their old camp property, then having a gratitude service by the river.

The class of '64 did an outstanding job in planning this years reunion, drawing everyone even closer together. What a special event. What a special time. But most of all what a special PLACE!!!!

Hey, we want to know-----

We have CM ties. Can we exchange them for KK t-shirts?
